| 3 of 3 people found the following review helpful. | A Good Text Book | By Quentin D. Stewart | Spurr details the impact political developments had on religion and the impact religion had on politics in England, Scotland and Ireland during the reigns of James I, Charles I, the Civil Wars, the Commonwealth, Charles II, James II, William III and finally Anne. Most attention is given to England, much less to Scotland and Ireland is treated. | | of the first three books in the *Religion, Politics and Society in Britain* series: "All three writers have made distinguished contributions to the specialist literature and, on the basis of these books, this will prove a most promising series intellectually"

The 17th century was a dynamic period characterized by huge political and social changes, including the Civil War, the execution of Charles I, the Commonwealth and the Restoration. The Britain of 1714 was recognizably more modern than it was in 1603. At the heart of these changes was religion and the search for an acceptable religious settlement, which stimulated the Pilgrim Fathers to leave to settle America, the
